CAYUGAN

DEDICATION

To those whose patience, tact and helpfulness have aided us through many days and many difficulties, and by whose sincere understanding of our problems and needs we have been able to see our paths more clearly marked; we can give no greater praise than to say that they hold a permanent place of affection and esteem in the hearts of the Class of 1940. With high regard and deep respect, this book is affectionately dedicated to the secretaries of the three departments of Ithaca College; Marylouise Potter, Helen Lyons, and Carmen Mount.

CARMEN MOUNT

MARYLOUISE POTTER

HELEN LYONS

CATHEDRALS

So pleased at first the towering Alps we try,
Mount o'er the vales, and seem to tread the sky,
The eternal snows appear already past
And the first clouds and mountains seem the last;
But those attained, we tremble to survey
The growing labors of the lengthened way,
The increasing prospect tires our wandering eyes
Hills peep o'er hills, and Alps on Alps arise.

—Pope.

Europe is dotted with famous cathedrals — Amiens, Florence, Reims, St. Marks, Mainz, Westminster, Notre Dame, and all the others — triumphant monuments of past ages, monuments not only to the engineering and architectural skill of the generations that built them but also to the spirit of the ages in which they were conceived and built. Each life, as well as each age, leaves its monument. It may be a cathedral or it may be an ugly blot on the landscape. It may be a garden of flowers or a series of scars on human hearts.

These cathedrals are not fashioned by human hands as material structure. They are moulded from human lives that are "pleased at first the towering Alps (to) try." These lives are not dismayed to find that "Hills peep o'er hills, and Alps on Alps arise." Each one scaled is a monument to past achievement. The mediaeval cathedral is a monument to ascetic virtues. Progress and the mastery of difficulties are monuments to living, developing personality.

Today cathedrals are built from the clay and stone of common things, monuments to skill, learning, ambition, and industry. On their altars burn, eternally, the candles of liberty, love, and devotion. Through the great leaded windows shine the light of faith in ourselves, our country, and our institutions. Their lofty towers are supported by pillars of knowledge, truth, and virtue. Peace, tolerance, and righteousness are their chancellors; sincerity and devotion to duty, their precentors; hope, their dean.

And as the cathedrals are completed, the setting sun casts lengthening shadows from their mounting towers. The lights grow dim, the shadows disappear, leaving there against the glow of evening's light the silhouette of the cathedral reaching the sky.

WE ARRIVED . . .

. . . AND GOT ACQUAINTED

CLASS OF

F O R T Y - T H R E E

The Freshman Class boarded the Ithaca College Special to begin its four-year journey, with Mrs. Marguerite Rowland as our conductor.

A temporary chief engineer and a ticket agent were chosen until such time as a permanent staff could be employed.

Our first social stop was a roller skating party held at the Old Armory in October. Its success was reason enough for our train crew to give the signal for a second stop, which was a roller skating party in December at the Ithaca Skating Rink. Reluctance was evident on the passengers' faces when the "All Aboard" was sounded.

Many of our passengers from the three departments of the college have participated in school functions such as concerts, gym exhibitions, and members of the Drama Department have displayed their talents on the Little Theatre stage.

The class planned a "Special" for their biggest social effort of the year. The depots were the various houses on the campus; the destination was our dance at the gym. We took all of our guests on a pleasure jaunt that not many of them will soon forget. There has never been a dull moment in the first quarter of our trip, for the spirit and enthusiasm of the class has made it a both enjoyable and profitable venture.

From the windows of the Ithaca College Special as it stands at the depot of Ithaca College, we wave goodbye to the seniors and wish them a profitable and happy trip on their journey to success.

FORTY-TWO

This is Station SCIC bringing the students of Ithaca College a news roundup of activities of the Class of '42 during the year 1939-40. The Sophomore Class progressed in prominence in all three departments after showing considerable activity in their first year.

The music students have claimed attention by participating in the college orchestra, choir, band, recitals and several other musical organizations. Their musicianship is unquestioned, their ability unlimited, and their performance of excellent quality.

There certainly are great things happening along the "Broadway" of Ithaca College. The Sophomores have proved themselves successful by working on various crews and giving a good representation in the major dramatic productions. They bring a warmth and glow to the productions which is certain to give many playgoers pleasure during the next two years.

"Full speed ahead" is the slogan of the Physical Education members of our class. They have earned the right to become members of first teams in every sport by displaying skill, stamina, and good sportsmanship.

The Class of '42 carried on in a traditional manner by having a dance during the spring semester. They leave this challenge to the following sophomore classes. "Make this affair an annual tradition in Ithaca College."

Mr. Carl Schrader, Class Advisor, and the Class of '42 extend hearty congratulations and sincere good wishes for continued success to the Class of '40.

CLASS OF FORTY-ONE

The Class of '41, under the guidance of Dr. B. F. Catherwood, has had a successful and well filled three years. Social functions of tremendous enjoyment have been planned and carried out with the Junior Prom the highlight and outstanding feature of Junior activities. Social events have not over shadowed scholastic attainments, however, for this class was presented the Oracle Scholarship Award for outstanding scholastic records in June, 1939.

All three departments have been well supplied with talented and willing members of this group. Musical ability, dramatic talent, and physical educational skill have been well supplied with talented and willing members of this group. Musical ability, dramatic talent, and physical educational skill have been in evidence at all times. No musical organization, play, or major team has been observed without outstanding members of the Class of '41 being among the best.

The Senior Class of 1940 has had a brilliant and outstanding career. Our hope is that a year from now the present Sophomore Class will pay us the tribute that we must give our predecessors into life. Should the way be rough, the crossroads many, we shall still be confident that our hope for the success and happiness of the Class of '40 will be realized.

NEWMAN CLUB

WE PLEDGED . . .

. . . AND JOINED THE HOUSE

SIGMA ALPHA IOTA

National Professional Fraternity for Women
Epsilon Chapter founded 1903

Epsilon takes pride in its large membership of the musical women of the College. This year the Formal Musicale was a huge success. It consisted of solo and choral numbers, closing most impressively with the Sigma Alpha Iota National Hymn.

Sigma Alpha Iota has become socially as well as musically prominent in the past few years. The Holly Hop, given for the first time this year, was an occasion long to be remembered. The four rush parties have been enthusiastically accepted by new students. At "Pan Pipes Hotel", the formal rush party, the house was converted into a hotel; the guests being freshman girls traveling incognito.

Sigma Alpha Iota closes a very prosperous year, sorry to lose its Seniors and happy to welcome new members.

PHI MU ALPHA

National Musical Fraternity

Delta Chapter—founded Oct. 6, 1898

Phi Mu Alpha, Delta Chapter, has completed a most satisfactory year with the largest membership in its history. Social events and musical attainments have been combined to make a lasting memory of good fellowship for the seniors we are regretfully losing.

House dances, Sunday night suppers, the Phi Mu Masquerade, the annual Christmas Party, the Mid-Semester Formal, smokers, participation in Scampers, and Phi Mu Weekend, are all to be looked back upon as having been thoroughly enjoyed by members and guests.

One of this fraternity's main objectives is the advancement of good music in America. It was with this in mind that we participated in a series of N.B.C. broadcasts under the sponsorship of Sinfonia Fraternity of America. The presentation of a program made up solely of music by American composers gave Sinfonians and music lovers the chance to know, appreciate, and hear the best of our own American music.

With the motto, "Ever Forward," Phi Mu Alpha closes this year with a wish for success to the class of '40.

KAPPA GAMMA PSI

National Music Fraternity

Iota Chapter—founded Dec. 11, 1913

The acquisition of a new house was the beginning of a very successful year for Iota Chapter, Kappa Gamma Psi Fraternity. The formal house opening was held in collaboration with Newman Hall.

Various social events have been held during the year in which fraternity members, students of the college, and members of the faculty participated. The annual Freshman Smoker, a spaghetti dinner, the Christmas Party, informal "vic" dances, and the Maniac's Ball were the most outstanding of these activities.

Kappa Gamma Psi has always aimed to encourage sincere musical study, promote and dignify the musical profession, and in every way aid in the development of good music everywhere.

Although we have welcomed new members into our group, we sincerely regret losing our seniors. To every member of the Senior Class of 1940, Kappa Gamma Psi Fraternity extends sincere congratulations and best wishes for success in the various fields to be entered. May all your endeavors meet with your fullest capabilities and expectations.

THETA ALPHA PHI

*National Honorary Dramatic Fraternity
Beta Chapter founded 1934*

Theta Alpha Phi was founded for the purpose of furthering drama in all its aspects and instilling a higher appreciation of art in the student body.

New students of the Drama Department were welcomed by a "Green Room" party given by the members of the fraternity to acquaint the newcomers with their fellow departmental members. A bridge was sponsored by Theta Alpha Phi; an annual affair which always is enjoyed by members and friends. Formal banquets and dances were held at the times of the induction of initiates to membership.

At Tournament Time each year, Theta Alpha Phi gives a dance for the participants in the Little Theatre Tournament and the college students. The guests are given a real glimpse of the social activity and the friendliness of Ithaca College.

The members of Theta Alpha Phi are sincere in the hope that they have contributed something to the enjoyment and pleasure of the Class of 1940. We wish you happiness and good fortune in the years to come.

PHI EPSILON KAPPA

National Physical Education Fraternity

Mu Chapter — founded April 2, 1913

As the culmination of a highly successful year from every standpoint, Mu Chapter of Phi Epsilon Kappa was given the distinction of being the most outstanding chapter of the Eastern District and of having the largest collegiate membership in the national organization.

The ideal of this fraternity is to foster friendly relationships between the members and the student body; and it is toward this goal that Phi Epsilon Kappa has directed its social activities. The Smoker, house dances, dinners, participation in Scampers, and the formal Phi E K Weekend have become annual affairs to which members and guests alike look with anticipation and pleasure.

To those seniors who have given much of their time and effort to the fraternity and the college, we wish a full and happy life, with sincere regret for their departure from our midst.

PHI DELTA PI

*National Physical Education Fraternity for Women
Theta Chapter founded 1922*

Early in October, Phi Delta Pi joined with Westminster Hall and Chadwick Hall and held Open House. The fall reunion was held at a cottage on Cayuga Lake. Among the many alumnae who received a hearty welcome were the Grand National President and the Grand National Editor. In November all the girls in the Physical Education Department were invited to a professional meeting at the house. Miss Lee Page gave a short inspiring talk.

In December, the gym was gaily decorated for the annual Balloon Ball, with Ted Howe's Orchestra furnishing the music. After a month of being the "underdogs", six pledges were welcomed into the fraternity after informal and formal initiation.

To start off the new year, we presented a novelty affair in the form of a Sadie Hawkins Dance. Rush parties of various types were held throughout the year for the transfers and freshmen. The Phi Deltas, co-operating with the other fraternities, presented various dances for "After Dark," this year's Scampers. A final program was held in honor of the seniors which ended a most successful year.

SIGMA DELTA PSI

National Honorary and Professional Fraternity of Physical Education
Theta Chapter — founded October 23, 1916

Sigma Delta Psi has the distinction of being the only Physical Education fraternity in the world that requires the candidate for membership to pass a set of tests for athletic achievement in order to gain admission to the National Order. Theta Chapter has several members who have successfully completed these requirements and will soon be able to claim an even higher number in this group. This fraternity carries on for the purpose of furthering the high degree and character of the men in the field of Physical Education.

The Sigma Delta Psi Annual Ball was again presented in the gym. This affair has become a tradition to the students of the college, and it is our purpose to continue this occasion in the years to come.

At the opening of the 1940-41 college year, Sigma Delta Psi anticipates welcoming its members and friends to a new house. It is expected that this will be a permanent home for the fraternity from that time on.

The class of '40 is assured of the good wishes of Theta Chapter, Sigma Delta Psi Fraternity, and of the hope for a future that will be full of lasting joy.

International Politics

Helen and Peter

Breakfast

"I am honored, Duchess"

"Dinner, everybody"

"Helen must be returned"

The Ithaca College Players opened the 1939-40 season with the famous Kaufman-Hart comedy, "You Can't Take It With You," directed by William Dean. This play was followed by Thornton Wilder's modern classic, "Our Town," under the direction of Johann Reich. The third presentation, "Berkeley Square," again bringing Mr. Dean into prominence, was noteworthy especially in the elaborate scenic effects designed by George Hoerner.

The first spring production was the American premiere of a satire on modern world affairs by the French playwright Jean Giroudoux, "The Affair At Troy," directed by Mr. Reich. Mr. Dean followed this with the modern passion play, "The Family Portrait."

The audiences of the Little Theatre will remember this year as one of varied and finished productions.

The Wedding

The Reconciliation

A Domestic Quarrel at Court

In Colonial England

RAH! RAH! RAH!

A word of thanks . . .

Here is the end, not only of this book, but also the school year, and for many of us our school career. We have watched this book grow slowly page by page and are now ready with the 100 pages. But before doing so, we must give a word of thanks to those who have often burned the mid-night oil with us.

First of all to the staff who have literally slaved over the Cayugan.

To Dr. Catherwood for his advice and assistance.

To the Tompkins Studio.

To Hammersmith-Kortmeyer Co. and Mr. Easton.

To the advertisers.

To Miss Howland for the directory.

To the faculty for their patience.

We leave you this 1940 Cayugan

HILDEGARD CLAUSEN
